PARTICIPATION

Instructions for presenters are available [here](#).

Click “ User zone “ on the Congress website

User zone

Congress website

User zone

- If you have already created your user account, log in.
- If you have not yet your user account, create it first by clicking the link "Create a new account" below

The User zone enables you to:

- Register for the congress (i.e. to select and pay the registration fee)
- Book a hotel
- Book social events
- Participate in the congress remotely

Important notes

- **Please do not create multiple user accounts using different e-mail addresses.**
- If you have any queries or continue to have problems logging in, please contact the organising secretariat at wac-9@guarant.cz
- If you create multiple accounts, we cannot guarantee that complete information regarding your participation in the congress will be displayed properly in your User zone (in particular list of submitted abstracts, dates and times of your presentations). In addition, it will not be possible for us to link your payment of the registration fee to your abstract, which may result in withdrawal of your abstract from the programme and from the Book of Abstracts/Proceedings.
